

m505
Handheld

Ultra-expandable

Expandable, Internet-Capable in Brilliant Colour.

Grow as your needs grow.

The new Palm™ m505 handheld opens a world of possibilities. It has rich, 65,536 colour support and is completely customisable, thanks to two expansion features. The standard Secure Digital/MultiMediaCard slot and the Palm™ Universal Connector let you add storage, applications, content, and add-ons, like a portable keyboard, wireless modem, camera, and more. Right out of the box you can use your Palm™ m505 handheld to manage your e-mail¹, view and edit spreadsheets² and documents²; view eBooks, video clips³ and photos³, or browse Web content offline⁴. Palm Mobile Connectivity software (included) offers wireless connectivity to the Internet; simply connect your Palm™ m505 handheld to a modem or data-enabled mobile phone. Plus, enjoy fast HotSync® operations with the new native USB cradle with battery charger. If you're trying to keep pace with the demands of the mobile workplace, this is the handheld for you.

¹Requires an Internet account, modem or data enabled mobile phone and/or third-party software for e-mail and Internet access, sold separately.

²Software functionality provided by Documents To Go®, a product of DataViz, Inc.

³Software functionality provided by PhotoSuite® Mobile Edition, a product of MGI.

⁴Software functionality provided by AvantGo.
